Median Lane Closure on I-95 for Bridge Repairs Begins This Week

JACKSONVILLE, Fla. – A median lane closure will be put in place on I-95 southbound from Golfair Boulevard to south of Martin Luther King Jr. Parkway from Friday, June 21 to Friday, June 28 for bridge work. This closure will be in effect 24 hours a day to facilitate the demolition of the existing I-95 median barrier wall.

Drivers should be cautious, as traffic congestion is possible during this closure. As a detour, drivers can take I-295 east or west.

Webber, LLC is estimated to complete the \$79 million interchange improvements by early 2027, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on X (formerly known as Twitter) or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
