### **Multi-Lane Closure and Traffic Shift on Northbound Buckman Bridge September 30 – October 3**

**JACKSONVILLE, Fla.** – Drivers northbound I-295 over the Buckman Bridge will see multi-lane closures Friday, September 30 from 10 p.m. through Monday, October 3 at 4 a.m. as crews restripe and return travel lanes to their original, final configuration.

Crews will close the northbound lanes of the Buckman Bridge in the following sequence:

Two outside lanes will be closed from 10 p.m. Friday, September 30 through Saturday, October 1 at 9:30 a.m.

One outside lane will be closed from 9:30 a.m. until 8 p.m. Saturday, October 1.

Two outside lanes will be closed from 8 p.m. until 11 p.m. Saturday, October 1.

Three outside lanes will be closed from 11 p.m. Saturday, October 1 until 11 a.m. Sunday, October 2.

Two inside lanes will be closed from 11 a.m. Sunday, October 2 until Monday, October 3 at 4 a.m.

Motorists should plan ahead, expect delays and use caution when traveling over the roadway.

Once complete, the roadway will be in its final configuration. The northbound lanes of the bridge will be returned to their previous, 12-foot width. Additional work, including asphalt operations, will be necessary as crews continue safety improvements to the structure.

Construction along the I-295 West Beltway at the Buckman Bridge is part of a safety initiative to convey which lanes are free flowing, slowed or blocked on the bridge. Programable overhead electronic boards and additional CCTV cameras will be installed

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

at several locations, on both directions of the bridge to support lane use, improve traffic flow and enhance safety.

The \$10.5 million project is expected to be completed by the end of 2022, weather and unforeseen circumstances permitting.

A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let's get everyone home safe. #TargetZeroFL

Drivers seeking real-time traffic alerts are encouraged to visit [www.FL511.com](http://www.FL511.com) or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT\_NEFL on Twitter or at MyFDOTNEFL on Facebook.
