## **Multiple Median Modifications Planned for State Road 200 Corridor**

**Yulee, Fla.** – The Florida Department of Transportation (FDOT) will alter various medians along the State Road 200 corridor as part of the State Road 200/A1A improvements project. Motorists' access to the medians will be restricted during construction.

Medians will be completely closed on the following roadways intersecting with State Road 200:

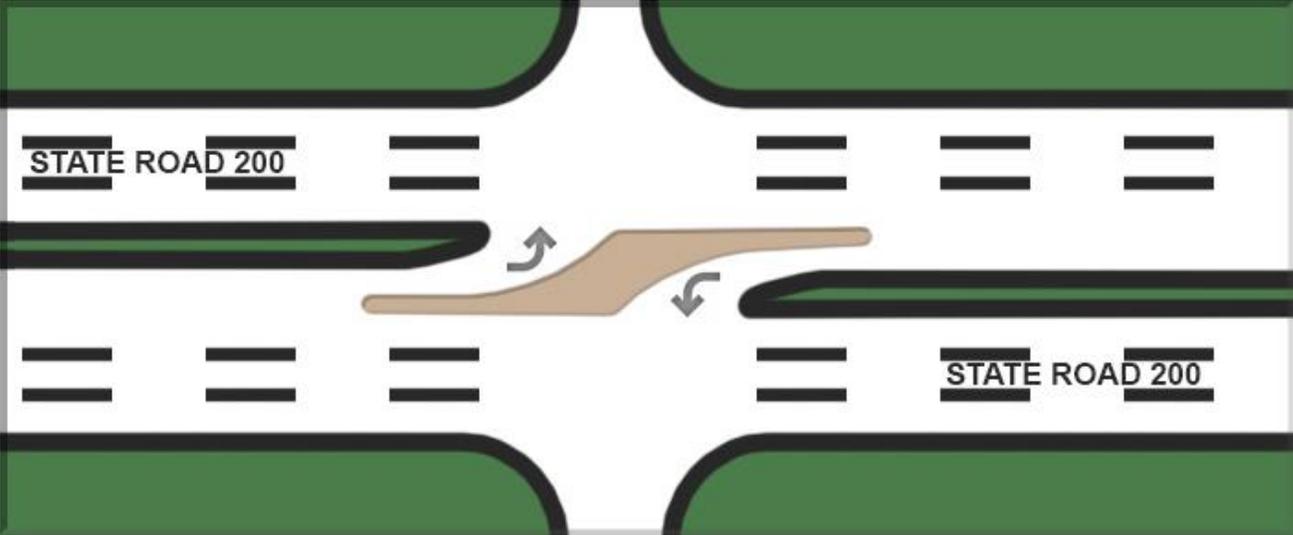

- Yanie Road/Alliance Place
- Kutana Road
- Cessna Road/Shopping Center

On the following roadways, medians will be upgraded to directional, left-turn only medians as shown in the attached example.

- Rubin Davis Lane
- Harry Green Road/Santa Barbara Street
- Courtney Isles Way/License Road
- Lofton Square Court
- Nassau Place Road/Flora Parke Boulevard
- Zion Court (westbound, left-turn only)

The \$60 million project consists of reconstruction and widening the roadway, traffic signal upgrades and an enclosed drainage system with curb and gutter. The project is on schedule to be completed in late 2020, weather and unforeseen circumstances permitting.

For more information on this project, please visit [NFLRoads.com](http://NFLRoads.com).
