Multiple Overnight Detours Planned for Your10and95 Project

Jacksonville – The Your10and95 operational improvements project will have three separate detours March 7-15 for painting operations.

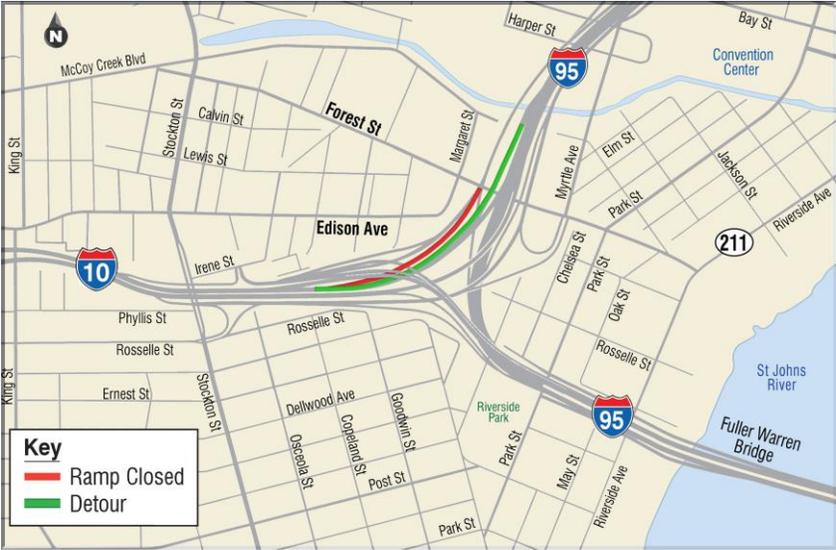

Detour A: March 9 and March 11-15 from 8 p.m. to 5 a.m., motorists who wish to access I-10 westbound from Forest Street will be detoured to Edison Avenue. Motorists will take Edison Avenue to Irene Street to the I-10 westbound on-ramp. (See map below.)

Detour B: March 7-8 and March 11 from 10:30 p.m. to 5 a.m., motorists traveling onto I-95 southbound from the Adams Street on-ramp who wish to take I-10 westbound will be directed to the Fuller Warren Bridge. They will take I-95 south to the San Marco Street exit, make a left on Palm Avenue and an immediate left back onto I-95 northbound, which will connect them with I-10 westbound. (See map below.)

Detour C: March 7-8 and March 11 from 10:30 p.m. to 5 a.m., motorists traveling on I-95 southbound who wish to access I-10 westbound will be detoured to the Forest Street exit ramp where they will continue through the intersection at the bottom of the exit to connect with I-10 westbound. Law enforcement will be on site to assist with the flow of traffic. (See map below.)

FDOT hired Archer Western as the contractor to complete this project for \$126 million with completion anticipated in summer 2020, depending on weather, holidays and unforeseen circumstances.

For more information about this project, please visit Your10and95.com.
