### **Multiple Overnight and Daytime Lane and Ramp Closures Planned for Southside Connector Sunday through Friday**

**JACKSONVILLE, Fla.** – Lanes and ramps on the Southside Connector (State Road 113) from I-295 to Atlantic Boulevard/Arlington Expressway (State Road 115), including the Merrill Road (State Road 116) and Regency Square Boulevard North interchanges, will be closed at various times during the day and night Sunday, April 10 through Friday, April 15. The closures, weather and unforeseen circumstances permitting, are needed to facilitate paving activities related to the Southside Connector resurfacing project.

Signage and digital message boards will direct motorists through the closures and detours.

April is Distracted Driving Awareness Month. Remember to keep your hands on the wheel, eyes on the road and your mind on driving. Help save a life; it could be your own!
