The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

Nightly from 11 p.m. to 5:30 a.m. Friday, April 29 and Saturday, April 30, drivers on I-95 southbound will be detoured at Forest Street, Riverside Avenue and onto the Acosta Bridge, where they can reconnect with I-95 southbound.

### **Park Street Entrance Ramp to I-95 Southbound Detour:**

Nightly from 10 p.m. to 5 a.m. Friday, April 29 and Saturday, April 30, drivers attempting to enter I-95 southbound from Park Street will be detoured to Riverside Avenue and onto the Acosta Bridge to connect with I-95 southbound.

April is Distracted Driving Awareness Month. Remember to keep your hands on the wheel, eyes on the road and your mind on driving. Help save a life; it could be your own!
