October is National Pedestrian Safety Month, and all roadway users share the responsibility for keeping everyone safe. Pedestrians should always use designated crosswalks and avoid distractions like using cell phones while walking. Motorists must yield to pedestrians in crosswalks and watch for pedestrians at all times. Together, we can reach the goal of ZERO pedestrian fatalities on Florida's roads.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.
