### Multiple Detours Planned for Next Week at the I-10/I-95 Interchange Improvements Project

**JACKSONVILLE, Fla.** – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, I-95 north will be detoured nightly Monday, April 18 through Saturday, April 22 from 11 p.m. to 5:30 a.m., weather and unforeseen circumstances permitting.

Drivers on I-95 north will be detoured between Emerson Street and Forest Street, weather and unforeseen circumstances permitting. Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10.

FDOT hired Archer Western to complete this \$126 million project in summer 2022, weather and unforeseen circumstances permitting.

National Work Zone Safety Week is April 11-15. Whenever driving through a work zone, motorists are encouraged to obey the speed limit, be aware of changes to the traffic pattern and never drive distracted.

Drivers seeking real-time traffic alerts are encouraged to visit [www.FL511.com](http://www.FL511.com) or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](#) on Twitter, at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](#).
