Multiple Detours Planned for Next Week at the I-10/I-95 Operational Improvements Project

JACKSONVILLE, Fla. – As part of bridge construction activities for FDOT's I-10/I-95 Operational Improvements project, overnight detours of I-95 north and south are scheduled from Monday, December 13 through Saturday, December 18, pending weather and unforeseen circumstances.

I-95 North to I-10 Flyover Detours: Monday, December 13 through Wednesday, December 15 from 10 p.m. to 5:30 a.m. and Friday, December 17 through Saturday, December 18 from 10 p.m. to 6:30 a.m., drivers on I-95 north who wish to take I-10 west will be detoured to the Park Street exit. At the bottom of the ramp, drivers will turn right on Park Street, left on Forest Street, left on Edison Avenue, left on Stockton Street and left on Irene Street to access the I-10 west ramp.

I-95 North Detour: Thursday, December 16 from 11 p.m. to 5:30 a.m., drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95.

I-95 South Detours: Tuesday, December 14 and Wednesday, December 15 from 11 p.m. to 5:30 a.m., drivers on I-95 south will be detoured to the Forest Street exit, left on Forest Street and left on Riverside Avenue to connect with the Acosta Bridge and rejoin I-95.

I-10 East to I-95 South Detour: Tuesday, December 14 from 11 p.m. to 5:30 p.m., drivers on the I-10 east outer-ramp to I-95 south will be detoured to the Forest Street exit, right on Forest Street, left on Riverside Avenue and onto the Acosta Bridge to connect with I-95 south. Drivers on the I-10 east inner-ramp to I-95 south will be detoured to I-95 north to the Forsyth Street exit, right on Broad Street and onto the Acosta Bridge to connect with I-95 south.

FDOT hired Archer Western to complete this \$126 million project in early 2022, weather and unforeseen circumstances permitting.

Give the gift of safety this holiday season by buckling up. Every trip. Every time.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
