Multiple Detours Planned for Next Week at the I-10/I-95 Operational Improvements Project

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, multiple detours are scheduled around I-10/I-95 next week, weather and unforeseen circumstances permitting.

I-95 South/I-10 East Detour: Wednesday, July 28 and Thursday, July 29 from 11 p.m. until 5:30 a.m., I-95 south will be detoured between Union Street and Stockton Street. Drivers on I-95 south and drivers who wish to access I-95 south from I-10 east will be detoured onto the Forest Street Exit, then east on Forest Street and left on Riverside Avenue to connect with the Acosta Bridge and rejoin I-95 southbound (see map below).

I-95 North Detour: Saturday, July 31 from 11 p.m. until 8:30 a.m., I-95 north will be detoured between Emerson Street and Forest Street. Drivers on I-95 north will be detoured onto the Acosta Bridge, then right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10 (see map below).

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
