Nelson Street to be Detoured Beginning December 16

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, Nelson Street will be detoured from Thursday, December 16 through Tuesday, December 21 while crews perform utility work, schedule permitting.

Nelson Street Detour: Drivers will use Highway Avenue or Rayford Avenue to Union Hall Place and Luna Street to reconnect with Nelson Street (see map below).

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

Give the gift of safety this holiday season by buckling up. Every trip. Every time.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
