Resurfacing of New Kings Road to Begin Soon

Jacksonville – Construction is scheduled to begin next month on 4.7 miles of New Kings Road (U.S. 1) from north of Dunn Avenue (S.R. 104) to the Nassau County line.

The project includes removing and replacing the top layers of asphalt, drainage improvements, new pavement striping, new highway signage and guardrail upgrades.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers can expect periodic single lane closures during off-peak driving hours. Southbound lane closures will be prohibited from 6:30 to 8:30 a.m. Monday through Friday. Northbound lane closures will be prohibited from 4:30 to 6:30 p.m. Monday through Friday. One lane in each direction will remain open at all times.

Hubbard Construction Company is expected to complete this \$5.3 million improvement project in summer 2019, weather and unforeseen circumstances permitting.

The Florida Department of Transportation urges motorists to always follow the speed limit and stay within the limits of orange cones and barrels while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
