Nightly Closures of Town Center Parkway/UNF Drive Ramp to Northbound I-295 Planned Oct. 31 through Nov. 4

JACKSONVILLE, Fla. – As part of the widening and resurfacing improvement project on I-295 from J.T. Butler Boulevard (SR 202) to Beach Boulevard (SR 212), nightly detours of the ramp from UNF Drive/Town Center Parkway to northbound I-295 are planned Tuesday, Oct. 31 through Saturday, Nov. 4. The ramp will close nightly at 10 p.m. and reopen by 5 a.m. the following morning.

During the closure, drivers will detour via westbound Town Center Parkway, northbound St. Johns Bluff Road and eastbound Beach Boulevard to access the ramp to northbound I-295.

Hubbard Construction Company, Inc. is expected to complete the \$19 million improvement project in late 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
