Nightly I-295 Northbound/Southbound Lane Closures Planned March 31 through April 4

JACKSONVILLE, Fla. – As part of the Florida Department of Transportation’s I-295 at Normandy Boulevard Operational Improvements and I-295 from Morse Avenue to U.S. 90 Resurfacing projects, nightly lane and intermittent ramp closures are scheduled Sunday, March 31 through Thursday, April 4 from 8 p.m. to 6 a.m. the following morning, weather and unforeseen circumstances permitting.

The following roads will be impacted by the lane and ramp closures:

Southbound/Northbound I-295 from Morse Avenue to U.S. 90 – Multiple lanes may be closed along with intermittent ramp closures northbound from 8 p.m. to 6 a.m. Sunday through Thursday for milling and resurfacing. Detours will be in place during the ramp closures.

Northbound I-295 Off-Ramp to Normandy Boulevard Closed Monday, April 1 from 8 p.m. to 6 a.m.: Northbound I-295 to Normandy Boulevard traffic will continue north, exit onto eastbound I-10, exit onto southbound Lane Avenue and proceed to Normandy Boulevard.

The projects include ramp widening and operational improvements at the I-295/Normandy Boulevard interchange and resurfacing of I-295 from Morse Avenue to Beaver Street. The speed limit has been reduced to 55 mph in the construction zone throughout the duration of the project.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
