## Nightly Milling and Resurfacing of Lane Avenue to Begin August 28

**JACKSONVILLE, Fla.** – As part of FDOT’s Lane Avenue resurfacing project, milling and resurfacing of Lane Avenue between Normandy Boulevard and Wilson Boulevard will begin the night of Sunday, August 28. Work will take place nightly from 8 p.m. to 7 a.m. through the morning of Friday, September 2, weather and unforeseen circumstances permitting. Nightly work will then resume on Tuesday, September 6.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers should expect single-lane closures, delays and uneven road surfaces due to overnight milling and resurfacing work. One lane in each direction will remain open at all times.

Anderson Columbia, Co., Inc. is expected to complete this \$7.9 million improvement project in spring 2023, weather and unforeseen circumstances permitting.

August means back to school! Kids walk, bike and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted. Help keep our kids safe! Learn more about Florida’s statewide initiative to reduce transportation-related crashes by visiting [TargetZeroFL.com](http://TargetZeroFL.com).

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
