Nighttime Detour Nov. 1 for Westbound I-10 to Northbound U.S. 301

BALDWIN, Fla. – As part of the I-10 and U.S. 301 interchange improvement project, nighttime detour will be in place for westbound I-10 to northbound U.S. 301 Wednesday, Nov. 1 from 9 p.m. to 5 a.m. the following morning, weather and unforeseen circumstances permitting. The overnight closure will be used to remove temporary barrier walls.

Ramp closed overnight Nov. 1 from westbound I-10 to northbound U.S. 301:

Traffic seeking to access northbound U.S. 301 will continue to State Road 228 exit, turn left onto State Road 228, turn left onto the eastbound I-10 entrance ramp and proceed to the U.S. 301 exit.

Graphic of detour route below:

Superior Construction Company began the \$65 million interchange improvement project in February 2016 and is estimated to complete the work this fall, weather and schedule permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com. The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
