Nighttime Detour on I-10 Westbound at State Road 23 Scheduled Next Week

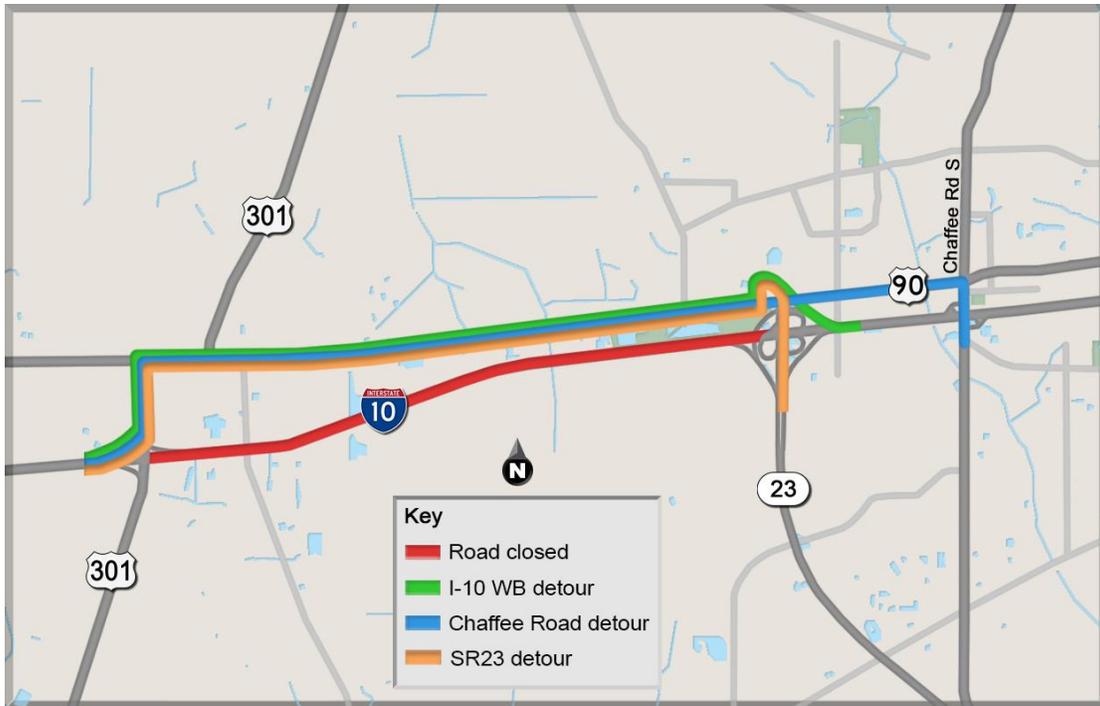

Jacksonville, Fla. – Detours will be in place on I-10 westbound at State Road 23 Sunday, January 12 through Tuesday, January 14 each night from 9 p.m. to 5 a.m., weather and unforeseen circumstances permitting.

The detour is necessary to safely complete the roadway work on I-10 westbound at U.S. 301 as part of the interchange improvement project.

- I-10 westbound traffic will detour north on State Road 23/First Coast Expressway (Exit 350B), travel west on U.S. 90/Beaver Street and south on U.S. 301 to travel back west on I-10 (green on map).
- State Road 23/First Coast Expressway traffic wishing to travel west on I-10 will detour west on U.S. 90 and south on U.S. 301 to travel back west on I-10 (orange on map).
- Chaffee Road traffic wishing to travel west on I-10 will detour west on U.S. 90 and south on U.S. 301 to travel back west on I-10 (blue on map).

Lane closures on I-10 westbound from State Road 23/First Coast Expressway to U.S. 301 will be necessary each night from 8 p.m. to 5:30 a.m.

Superior Construction Company began the \$65 million I-10 and U.S. 301 interchange improvement project in late February 2016 and is estimated to complete the work in summer 2020, weather and unforeseen circumstances permitting.
