Overnight Closure Planned at Lenox Avenue, Lane Avenue Intersection on Tuesday Night

JACKSONVILLE, Fla. – As part of FDOT’s Lane Avenue resurfacing project, a section of Lenox Avenue east of the intersection with Lane Avenue will be closed for overnight utility work from 8 p.m. Tuesday, June 21 to 6:30 a.m. Wednesday, June 22, weather and unforeseen circumstances permitting.

Eastbound Lenox Avenue Traffic: Drivers will turn right onto Lane Avenue, left onto Park Street, left onto Lake Shore Boulevard and proceed to Lenox Avenue. Drivers can also turn left onto Lane Avenue, right onto Normandy Boulevard and proceed to Lenox Avenue.

Westbound Lenox Avenue Traffic: Drivers will turn right onto Normandy Boulevard, left onto Lane Avenue and proceed Lenox Avenue.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

Anderson Columbia, Co., Inc. is expected to complete this \$7.9 million improvement project in spring 2023, weather and unforeseen circumstances permitting.

Everyone knows summer in the south is hot! What motorists need to remember when traveling on Florida's roadways is to stay cool behind the wheel. Do not drive aggressively, tailgate and prompt road rage. Remain patient and be courteous. Travel safely this summer!
