### Overnight Closure Planned for I-295 Westbound Between I-95 and U.S. 17

**Jacksonville, Fla.** – The Florida Department of Transportation will temporarily detour I-295 westbound between I-95 and U.S. 17 starting at 10 p.m. tonight through 5 a.m. to remove an overhead sign as part of the I-95/I-295 North Interchange Operational Improvement project.

Drivers on I-295 westbound will be detoured onto U.S. 17 northbound to Airport Center Drive onto I-95 southbound where they can rejoin I-295 westbound.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
