Overnight Closures Planned March 28-30 for Ramp from San Pablo Road to Westbound Butler Boulevard

JACKSONVILLE, Fla. – As part of the Florida Department of Transportation’s interchange improvement project at J.T. Butler Boulevard (State Road 202) and San Pablo Road, the ramp from San Pablo Road to westbound Butler Boulevard will close nightly from 8 p.m. to 6 a.m. Sunday, March 28 through Tuesday, March 30.

Detour: To access westbound Butler Boulevard, drivers will be detoured to eastbound Butler Boulevard, where they will continue to the South Beach Parkway exit and turn left onto South Beach Parkway to access the ramp onto westbound Butler Boulevard.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
