Overnight Closures of Southbound University Boulevard Under Hart Expressway Planned Next Week

JACKSONVILLE, Fla. – As part of a resurfacing project on University Boulevard (State Road 109) from Cruz Road to Wateredge Lane, nightly closures of southbound University Boulevard under the Hart Expressway (State Road 228) are planned Monday, Feb. 24 through Thursday, Feb. 27, weather and unforeseen circumstances permitting.

The road will close at 8 p.m. each night and reopen by 6 a.m. the following morning. During the closure, drivers will take westbound Hart Expressway, westbound Atlantic Boulevard, Art Museum Drive and eastbound Hart Expressway to access southbound University Boulevard.

Watson Civil Construction, Inc. was awarded the contract for this \$6.85 million project, which includes milling and resurfacing 1.8 miles of roadway, pavement and curb reconstruction, signage, pavement markings, concrete sidewalks, guardrail replacement, pier protection, ADA detectable warning devices, stormwater drainage, signalization and lighting/light pole installation. The project is estimated for completion in spring 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on X, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
