### **Overnight Detour Planned for Adams Street to I-10**

**JACKSONVILLE, Fla.** – As part of FDOT’s I-10/I-95 Operational Improvements project, there will be a detour of the Adams Street to I-10 route while crews perform roadway striping activities.

From 11 p.m. Tuesday, May 25 to 5 a.m. Wednesday, May 26, drivers merging onto I-95 south from the Adams Street on-ramp to access I-10 west will be directed to the Fuller Warren Bridge, where they can take the I-95 south to San Marco Street exit, a left on Palm Avenue and an immediate left onto I-95 north to continue to the I-10 west ramp.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
