Overnight Detours Planned Next Week at State Road 16 to I-95 South Ramp

ST. AUGUSTINE, Fla. – As part of the resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, a closure of the State Road 16 on-ramp to I-95 south is necessary for drainage work to be completed. The ramp will close nightly at 8 p.m. and reopen by 6 a.m. the following morning starting Sunday night, Jan. 15 through Thursday night, Jan 19.

During the closure, drivers will be detoured north on I-95 to International Golf Parkway to access I-95 south.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by winter 2023, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
