### Overnight Detours Planned for Next Week at the I-95/I-295 North Interchange

**JACKSONVILLE, Fla.** – FDOT will have multiple overnight closures and detours throughout the I-95/I-295 North Interchange Operational Improvements project beginning Monday, June 17 for roadway and bridge construction operations, weather and unforeseen circumstances permitting. Please note that times may be adjusted to avoid conflicting detour traffic along the routes.

Closures scheduled Monday, June 17 through Thursday, June 20 from 10 p.m. to 5 a.m. the following morning:

- **I-295 West closed:** Drivers will detour to I-95 North, to the Airport Road exit and take Biscayne Boulevard to reconnect with I-295 West.
- **I-95 North closed:** Drivers will detour to I-295 East, take the U.S. 17 exit and take I-295 West to reconnect with I-95 North.
- **I-295 South closed:** Drivers will detour to I-295 East, take the U.S. 17 exit and take I-295 West to reconnect with I-95 South.
- **I-95 South ramp to I-295 West closed:** Drivers will detour to the Airport Road exit and take Biscayne Boulevard to connect with I-295 West.

This work is part of a new phase of construction on the I-95/I-295 North Interchange Operational Improvements project. The interchange upgrades are part of an important effort to promote economic growth and development in the region.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
