### Overnight Closure of State Road 16 at Future First Coast Expressway Planned for March 3

**GREEN COVE SPRINGS, Fla.** – As part of concrete bridge deck pouring activities for the First Coast Expressway, State Road 16 between Gary Road and Ron Road will close at 11 p.m. Thursday, March 3 and reopen by 5 a.m. Friday, March 4.

During the closure, drivers will be detoured via County Road 315, County Road 315B, Russell Road, Sandridge Road, Henley Road and County Road 218, as shown in the map below.

February is “hit-and-run” awareness month in Florida. When you flee the scene of a crash, you are breaking the law, which carries serious consequences. FDOT reminds motorists to take responsibility and stay at the scene of a crash.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
