Overnight Detour Planned Next Week at I-95 North Ramp to State Road 16

ST. AUGUSTINE, Fla. – As part of resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, a closure of the State Road 16 exit ramp from I-95 North is necessary for paving work. The ramp will close Monday, Dec. 11 at 8 p.m. and reopen by 6 a.m. the following morning.

During the closure, motorists will be detoured on I-95 North to International Golf Parkway to I-95 South for access to State Road 16.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by late 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
