### **Overnight Detour of I-10 Westbound Ramp to U.S. 301 Planned for March 6 and March 7**

**BALDWIN, Fla.** – As part of the I-10 and U.S. 301 interchange improvement project, the ramp for traffic from westbound I-10 to U.S. 301 will close nightly at 9 p.m. Wednesday, March 6 and Thursday, March 7, reopening by 5 a.m. the following morning, weather and unforeseen circumstances permitting. The closure will be in place to allow for construction activities on the bridge deck over U.S. 301.

The following detour will be in place during the overnight closures:

**Westbound I-10 ramp to U.S. 301 detour:** Traffic seeking to access U.S. 301 from westbound I-10 will proceed west, exit at SR 228 (Exit 336), turn left on SR 228, turn left onto eastbound I-10 and proceed to the U.S. 301 exit.

Superior Construction Company was awarded the \$65 million interchange improvement project and is expected to complete the work in spring 2024, weather and schedule permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
