### Overnight Detour of I-95 Planned Sunday for I-95/I-295 North Interchange Project

**Jacksonville, Fla.** – The Florida Department of Transportation will temporarily detour traffic on I-95 between Airport Road and Dunn Avenue Sunday, April 26 from 9 p.m. to 5 a.m. to allow crews to place bridge deck concrete as part of the I-95/I-295 North Interchange Improvement Project.

As shown in the maps below, drivers attempting to travel northbound or southbound on I-95 between Airport Road and Dunn Avenue will be detoured to I-295. Drivers can then turn around at U.S. 17 and take I-295 back to I-95.

#### Northbound Detour:

#### Southbound Detour:

**RON DESANTIS**  
**GOVERNOR**

2198 Edison Avenue  
Jacksonville, Florida 32204-2730

**KEVIN J. THIBAUT, P.E.**  
**SECRETARY**

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in fall 2021, weather and unforeseen circumstances permitting.
