### **Overnight Detour of Southside Boulevard (State Road 115) Southbound Exit Ramp from I-95 North Scheduled for March 10**

**JACKSONVILLE, Fla.** – As part of resurfacing improvements on Southside Boulevard (State Road 115) from Butler Boulevard (State Road 202) to U.S. 1 (Philips Highway), a detour of the Southside Boulevard southbound exit ramp from I-95 North is scheduled this weekend. The detour will occur on Sunday, March 10 from 9:30 p.m. to 6 a.m. the following morning.

During the detour, drivers on I-95 north seeking to access Southside Boulevard southbound will detour onto Southside Boulevard northbound and make a U-Turn. Motorists are encouraged to use caution in the area and follow posted detour signs.

Preferred Materials, Inc. is estimated to complete the \$29 million resurfacing and intersection improvements by summer 2025, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
