Overnight Detour on I-295 North Interchange Project Sunday

JACKSONVILLE, Fla. – As part of the I-95/I-295 North Interchange Operational Improvement project, the Florida Department of Transportation will implement detours within project limits starting this Sunday, May 7 from 9 p.m. to 5 a.m., weather and schedule permitting.

Crews will detour the I-95 southbound ramp onto I-295 westbound. As shown in the map below, drivers will be detoured onto I-295 eastbound to the U.S. 17 exit where they can access I-295 westbound.

The I-95/I-295 North Interchange Operational Improvement project includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
