Overnight Detours Planned Next Week at I-95 and State Road 16 Interchange

ST. AUGUSTINE, Fla. – As part of resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, overnight entrance and exit ramp closures are scheduled July 23-27 at I-95 and State Road 16 for paving.

Sunday, July 23 and Monday, July 24: The I-95 southbound exit and entry ramps at State Road 16 will close at 8 p.m. Sunday, July 23 and Monday, July 24 and reopen by 6 a.m. the following mornings. Motorists on State Road 16 will detour to I-95 North to International Golf Parkway to access I-95 South. Motorists on I-95 South will detour to exit at State Road 207 and use I-95 North to access State Road 16.

Tuesday, July 25, Wednesday July 26 and Thursday July 27: The I-95 northbound exit and entry ramps at State Road 16 will close at 8 p.m. Tuesday, July 25, Wednesday, July 26 and Thursday, July 27 and reopen by 6 a.m. the following mornings. Motorists on State Road 16 will detour to I-95 South to State Road 207 to access I-95 North. Motorists on I-95 North will detour to exit at International Golf Parkway and use I-95 South to access State Road 16.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by summer 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
