Overnight Detours Planned Next Week for I-95 at Martin Luther King Jr. Parkway Interchange Improvement Project

JACKSONVILLE, Fla. – As part of an interchange improvement project on Martin Luther King Jr. Parkway and I-95, nightly lane closures and detours are scheduled from Saturday, April 20 to Friday, April 26 for barrier wall operations, overbuild operations for barrier walls, and pavement and lighting operations.

I-95 Southbound from MLK Eastbound Detour

The on-ramp to I-95 southbound from Martin Luther King Jr. Parkway eastbound will be closed nightly starting Saturday, April 20 through Friday, April 26 between 10 p.m. and 5 a.m. for barrier wall and concrete removal operations.

As a detour, drivers will take MLK eastbound to the Boulevard Street Exit to the westbound MLK on-ramp, onto the I-95 southbound on-ramp.

Exit 354A from I-95 Northbound to MLK Eastbound Detour

Exit 354A from I-95 northbound to Martin Luther King Jr. Parkway eastbound will be closed nightly starting Saturday, April 20 through Friday, April 26 between 10 p.m. and 5 a.m. for asphalt paving and pavement marking operations.

As a detour, drivers will I-95 northbound to Golfair Boulevard eastbound, take Main Street southbound and then take MLK westbound.

Exit 354B from I-95 Southbound to MLK Westbound Detour

The exit ramp from I-95 southbound to Martin Luther King Jr. Parkway westbound will be closed nightly starting Saturday, April 20 through Friday, April 26 between 10 p.m. and 5 a.m. for repairs to overhead street lighting.

As a detour, drivers will take the exit ramp 354A to MLK eastbound to the Boulevard Street Ramp to the MLK westbound ramp.

I-95 Northbound and Exit Ramp 354B Detour

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
