Overnight Detours and Closures to Start January 29 in Starke

STARKE, Fla. – As part of the Florida Department of Transportation's Starke Railroad Overpass Interchange Improvements project, Monday, Jan. 29 through Friday, Feb. 9, overnight asphalt paving operations will be taking place, weather and unforeseen circumstances permitting. During this time period, operations will take place on multiple areas: State Road 100, eastbound and westbound Frontage Roads, South, Walnut, Thompson, Church and Cherry Streets and other areas. During construction activities, there will be lane closures, closures with detours and flagging operations.

Road closures and detours will be utilized between the hours of 8 p.m. and 6 a.m., motorists should follow posted detours during these times.

Schedule is subject to change due to weather and unforeseen circumstances.

FDOT hired J.B. Coxwell Contracting to complete this \$23.6 million project in early 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
