### Overnight Detours of I-95 Near Downtown Planned for This Weekend

**JACKSONVILLE, Fla.** – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be multiple detours around the I-10/I-95 interchange this weekend.

**I-95 South/I-10 East Detour:** Friday, July 16 from 11 p.m. to 6:30 a.m. I-95 south will be detoured between Forest Street and the Fuller Warren Bridge, weather and unforeseen circumstances permitting. Drivers on I-95 south and drivers who wish to access I-95 south from I-10 east will be detoured to the Forest Street Exit, east on Forest Street and left on Riverside Avenue to connect with the Acosta Bridge and rejoin I-95 southbound (see map below).

**I-95 North Detour:** Saturday, July 17 from 11 p.m. to 8:30 a.m., I-95 north will be detoured between Emerson Street and Forest Street, weather and unforeseen circumstances permitting. Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10 (see map below).

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
