Overnight Detours of I-95 at the Fuller Warren Bridge Planned This Week for Bridge Construction

JACKSONVILLE, Fla. – As part of the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be overnight detours of I-95 this week as crews conduct bridge construction activities, weather and unforeseen circumstances permitting:

- I-95 North at the Fuller Warren Bridge will be detoured nightly from 10 p.m. to 5:30 a.m. Monday, July 10 and Tuesday, July 11.
- I-95 South at the Fuller Warren Bridge will be detoured nightly from 10 p.m. to 5:30 a.m. Wednesday, July 12 through Friday, July 14.

Motorists will be detoured to the Acosta Bridge during these closures. Signage will direct drivers through the detours. The Shared Use Path will remain open throughout these overnight activities.

I-95 Northbound Detour Route

I-95 Southbound Detour Route

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter, at MyFDOTNEFL on Facebook or by visiting nflroads.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
