Overnight Detours on I-295 North Interchange Project Start Sunday

JACKSONVILLE, Fla. – As part of the I-95/I-295 North Interchange Operational Improvement project, the Florida Department of Transportation will implement detours within project limits starting this Sunday, June 13, weather and schedule permitting.

Sunday, June 13 and Monday, June 14:

Crews will detour the I-295 eastbound ramp to I-95 northbound from 10 p.m. to 5 a.m. nightly. As shown in the map below, drivers will be detoured to U.S. 17 and I-295 westbound to access I-95 northbound.

Sunday, June 13 through Thursday, June 17:

Crews will detour the I-95 southbound ramp onto I-295 westbound from 10 p.m. to 5 a.m. nightly. As shown in the map below, drivers will be detoured onto I-295 eastbound to the U.S. 17 exit to access I-295 westbound.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
