### Overnight Ramp Closures Planned September 12 at Butler Boulevard, San Pablo Road Interchange

**JACKSONVILLE, Fla.** – As part of the interchange improvement project at Butler Boulevard (State Road 202) and San Pablo Road, multiple ramp closures will be implemented between 8 p.m. Sunday, September 12 through 5 a.m. Monday, September 13.

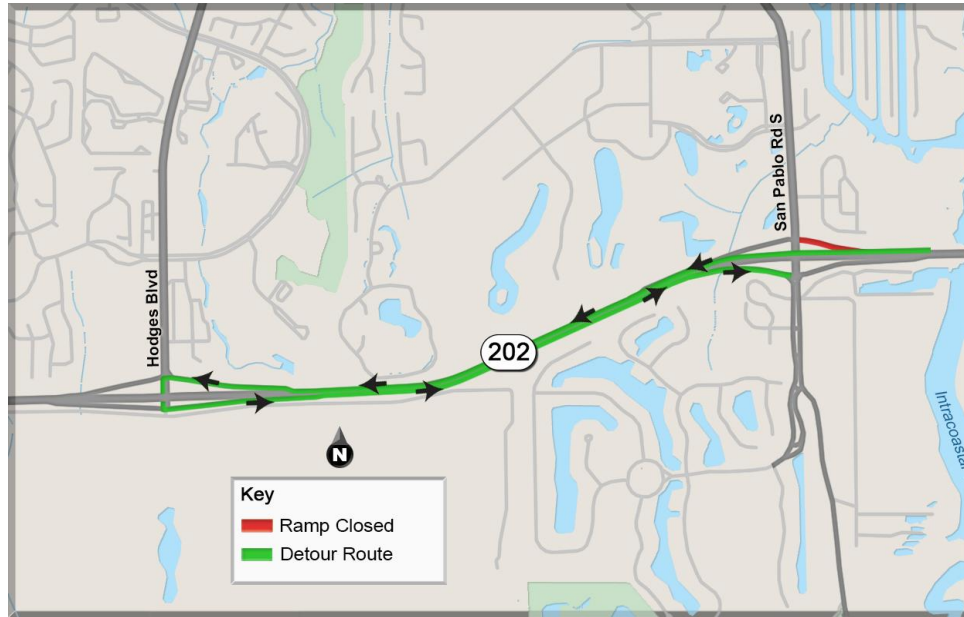

The ramp from San Pablo Road to eastbound Butler Boulevard will be closed throughout the night for paving work. During the closure, traffic will be detoured westbound on Butler Boulevard to the Hodges Boulevard exit, where motorists can access eastbound Butler Boulevard.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.*

The ramp from westbound Butler Boulevard to San Pablo Road will be closed briefly in order to allow crews to shift traffic to new asphalt. During the closure, traffic will be detoured to Hodges Boulevard, where motorists can take eastbound Butler Boulevard to the San Pablo Road exit (shown in the map below).

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT\_NEFL on Twitter or at MyFDOTNEFL on Facebook.
