## Overnight Ramp Detours on I-95/I-295 North Interchange

**JACKSONVILLE, Fla.** – The Florida Department of Transportation will implement overnight detours on multiple I-95 and I-295 exit ramps throughout next week in order to perform maintenance of traffic operations as part of the I-95/I-295 North Operational Improvements Project.

Sunday, January 16 from 10 p.m. to 5 a.m., drivers attempting to take the I-295 eastbound exit ramp to I-95 southbound will be detoured to U.S 17 and onto Busch Drive to access I-95 southbound.

Monday, January 17 from 10 p.m. to 5 a.m., drivers attempting to take the I-95 southbound exit ramp to I-295 westbound will be detoured to I-295 eastbound and onto U.S 17 to access I-295 westbound.

Wednesday, January 19 and Thursday, January 20 from 10 p.m. to 5 a.m. drivers attempting to take the I-295 westbound to I-95 northbound exit ramp will be detoured to U.S 17 and Airport Drive to access I-95 northbound.

January is Move Over month in Florida. FDOT reminds motorists to move over for first responders or service vehicles displaying any visible signals while stopped on the roadside, including Road Rangers, sanitation vehicles and tow trucks.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](http://nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
