Continuous 24-Hour Construction Operations on Wonderwood Drive from Wompi Drive to Gately Road

Jacksonville– Beginning at 6 p.m. October 12 through 6 a.m. October 15, there will be 24-hour continuous lane closures and construction operations in both directions on Wonderwood Drive from Wompi Drive to Gately Road.

The continuous lane closures are necessary to place asphalt on the newly constructed storm drainage pipes and to remove temporary steel plates that have been protecting the crossings. Motorists can expect lane closures to alternate from inside to outside lanes.

Traffic will be maintained in accordance with FDOT design standards throughout the project.

J.B. Coxwell began construction on the segment of Wonderwood in August 2018 and should be finished with the work in winter 2019, barring unforeseen conditions such as bad weather.

The Florida Department of Transportation urges motorists to always follow the speed limit and stay within the limits of orange cones and barrels while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
