Ramp Closures on I-10, Chaffee Road and I-295 Scheduled July 21 to July 25

JACKSONVILLE, Fla. – As part of a resurfacing project on I-10 between Chaffee Road and I-295, drivers can expect nighttime ramp closures Sunday, July 21 through Thursday, July 25 for milling and resurfacing. Closures are planned from 7 p.m. to 5 a.m. the following morning, weather and unforeseen circumstances permitting.

The following nightly ramp closures are scheduled Sunday, July 21 through Thursday, July 25:

I-10 East ramp to Chaffee Road closed: Drivers will continue east on I-10 to Hammond Boulevard north, then west on U.S. 90 (Beaver Street) to access Chaffee Road.

Chaffee Road ramp to I-10 East closed: Drivers will continue north to U.S. 90 and take U.S. 90 east to Hammond Boulevard south to access I-10.

I-10 West ramp to Chaffee Road closed: Drivers on I-10 will continue to First Coast Expressway (State Road 23) north to U.S. 90 east and take U.S. 90 east to access Chaffee Road.

Chaffee Road ramp to I-10 West closed: Drivers will continue north on Chaffee Road to U.S. 90 west and take U.S. 90 First Coast Expressway to access I-10.

The following nightly ramp closures are scheduled Wednesday, July 24 and Thursday, July 25:

I-10 East ramp to I-295 closed: Drivers will continue east on I-10, exit at Lane Avenue and use I-10 West to access I-295.

I-295 South ramp to I-10 East closed: Drivers will continue south on I-295, exit at Normandy Boulevard (State Road 228) and take I-295 North to access I-10.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
