Ramp from Kernan Boulevard to Westbound Butler Boulevard to Close Overnight April 3

JACKSONVILLE, Fla. – As part of the interchange improvement project at J.T. Butler Boulevard (State Road 202) and Kernan Boulevard, the ramp from Kernan Boulevard to westbound Butler Boulevard will close at 8 p.m. Wednesday, April 3 and reopen by 5:30 a.m. Thursday, April 4, weather and unforeseen circumstances permitting. The closure is necessary to complete asphalt work on the ramp.

During the ramp closure, drivers will take Butler Boulevard east to the Hodges Boulevard exit to access westbound Butler Boulevard.

FDOT hired J.B. Coxwell Contracting to complete the \$17.1 million project, which includes construction of a partial cloverleaf interchange, adding capacity to on- and off-ramps, milling and resurfacing of existing pavement, roadway lighting improvements, construction of ponds and other drainage improvements and installation of new signage and mast arm signals. The project is expected to be completed in late 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).
