### Ramp from San Pablo Road to Westbound Butler Boulevard to Close Overnight July 30

**Jacksonville, Fla.** – As part of the Florida Department of Transportation’s interchange improvement project at Butler Boulevard (State Road 202) and San Pablo Road, the ramp from San Pablo Road to westbound Butler Boulevard will be closed from 8 p.m. to 6 a.m. Thursday, July 30, weather and schedule permitting, to allow for safe completion of utility work in the area.

**Detour:** To access westbound Butler Boulevard, drivers will be detoured to eastbound Butler Boulevard, where they will continue to the South Beach Parkway exit and turn left onto South Beach Parkway to access the ramp onto westbound Butler Boulevard.

FDOT hired Watson Civil Construction to complete this \$12 million project, which includes construction of a diverging diamond interchange at San Pablo Road and Butler Boulevard, in spring of 2022, weather and unforeseen circumstances permitting.
