### **Resurfacing of State Road 20 in Alachua County to Begin Next Week**

**JACKSONVILLE, Fla.** – Construction is scheduled to begin next week on 5.4 miles of State Road 20 from County Road 325 to U.S. 301 in Hawthorne, Alachua County.

The project includes removing and replacing the top layers of asphalt, drainage improvements, new pavement striping, new highway signage, removing and replacing sidewalk, and driveway improvements at various locations.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers can expect extended periods of single-lane closures. One lane in each direction will remain open at all times.

FDOT hired Anderson Columbia Construction Inc, to complete this \$6.2 million project in spring 2023, weather and unforeseen circumstances permitting.

April is Distracted Driving Awareness Month. Remember to keep your hands on the wheel, eyes on the road and your mind on driving. Help save a life; it could be your own!
