Roadway Work at State Road 20 and Istanbul Street Scheduled to Begin Monday

Interlachen, Fla. – As part of the State Road 20 widening project, access to State Road 20 from Istanbul Street will be temporarily unavailable for reconstruction work starting Monday, June 1 through early August, weather and unforeseen circumstances permitting.

Motorists will detour via Paris Street and Belgrade Street (map below).

Prospect Avenue and Commonwealth Avenue remains closed for reconstruction work through late June. Local access from Boylston Street will remain available for residents. In addition, access to Martha Drive from State Road 20 remains closed for drainage and paving work through early August. Motorists will continue to detour via Ladys Slipper Lake Road.

Periodic traffic/lane shifts will be necessary on State Road 20 to allow the contractor to safely complete work. Lane closures are allowed Monday through Friday after 8:30 a.m.

This segment includes widening State Road 20 from SW 56th Avenue to County Road 315 from a two-lane roadway to a four-lane urban roadway with curbs, gutters, medians, bike lanes, 5-foot sidewalk on the north side and a 10-foot multi-use path on the south side of the roadway.

P & S Paving, Inc. was selected to complete the \$23 million roadway construction by summer 2021, weather and unforeseen circumstances permitting.
