### FDOT Begins Resurfacing U.S. 1 from Flagler County Line to S.R. 206

**St Johns County, Fla.** – The Florida Department of Transportation began a milling and resurfacing project July 5 on U.S. 1/Dixie Highway from the Flagler County line to State Road 206.

This project includes milling and resurfacing approximately seven miles of roadway, minor drainage work and other incidental construction activities.

To complete milling and paving operations, both daytime and nighttime lane closures will be necessary. No lane closures will be allowed on southbound U.S. 1 within 600 feet of a signalized intersection Monday through Friday from 4:30 to 7 p.m. For more information about lane closures, visit [www.nflroads.com/trafficreport](http://www.nflroads.com/trafficreport).

Contractor Preferred Materials is expected to complete this \$5.6 million project in spring 2020, weather and schedule permitting.
