San Jose Boulevard School Zone Improvements to Begin Next Week

JACKSONVILLE, Fla. – Construction on a school zone improvement project on San Jose Boulevard (State Road 13) from St. Augustine Road to Via De La Reina Street is scheduled to begin next week.

American Lighting and Signalization, LLC was selected to complete the \$596,000 project, which includes installation of two sets of strain poles for signing and signalization as well as installation of signs, pavement markings, curb and gutter, and other incidental construction. Completion is estimated in early 2024, weather and unforeseen circumstances permitting.

During construction, the public is encouraged to follow pedestrian detour signs and use caution in the area. Lane closures will not be allowed from 7:30 a.m. to 8:30 a.m. and from 3:30 p.m. to 7 p.m. Monday through Friday.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
