### Southside Connector at Regency Square Boulevard North Overnight Ramp Closures Scheduled September 12 through September 14

**JACKSONVILLE, Fla.** – The Southside Connector (State Road 113) northbound and southbound ramps at Regency Square Boulevard North are scheduled to close from 7 p.m. to 7 a.m. Sunday, September 12 through Tuesday, September 14, weather and unforeseen circumstances permitting. The closures are necessary for guardrail work associated with the Southside Connector resurfacing and improvement project.

**Sunday, September 12:** The northbound on-ramp to Southside Connector from Regency Square Boulevard North will close at 7 p.m. and reopen by 7 a.m. Monday. Southside Connector northbound traffic will detour to Monument Road and Tredinick Parkway to access Southside Connector northbound. (Closure and detour shown in Map 1 below.)

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
