Southside Connector Ramp at Regency Square Boulevard North Closed January 17

JACKSONVILLE, Fla. – The Southside Connector (State Road 113) northbound off-ramp to Regency Square Boulevard North will be closed Monday, January 17 from 7 a.m. to 7 p.m., weather and unforeseen circumstances permitting, for work related to the Southside Connector resurfacing and improvement project.

Traffic will detour north on Southside Connector to Tredinick Parkway to access Regency Square Boulevard North via the southbound Southside Connector Service Road. (Closure and detour shown in map below.)

Signage will direct motorists through the detours. Motorists on Southside Connector will not be impacted.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

January is Move Over month in Florida. FDOT reminds motorists to move over for first responders or service vehicles displaying any visible signals while stopped on the roadside, including Road Rangers, sanitation vehicles and tow trucks.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter or at MyFDOTNEFL on Facebook.
