Springbank Road to Close Overnight August 26 and August 30 for Deck Placement

Clay County, Fla. – As part of the First Coast Expressway project, Springbank Road will be closed to traffic from 9 p.m. Wednesday, August 26 through 5 a.m. Thursday, August 27 and again from 9 p.m. Sunday, August 30 through 5 a.m. Monday, August 31. The closure will allow for deck placement on the new First Coast Expressway bridge over Springbank Road, which was previously delayed by inclement weather.

Motorists will be detoured via Saunders Road and State Road 16 (shown in the map below).

FDOT hired Superior Construction to complete this 9.7-mile segment of the First Coast Expressway by 2026, weather and unforeseen circumstances permitting. For more information about this project, please visit www.firstcoastexpressway.com.
