### State Road 20 widening improvements continue in Putnam County

**Interlachen, Fla.** – Roadway construction commenced Monday, May 13 on State Road 20 as part of a widening project from County Road 315 to SW 56<sup>th</sup> Avenue. This is the second of three segments planned for the State Road 20 corridor between the Alachua County and Putnam County lines spanning a total of 12 miles.

Segment two includes widening State Road 20 (map below) from a two-lane roadway to a four-lane urban roadway with curbs, gutters, medians, bike lanes, 5-foot sidewalk on the north side and a 10-foot multi-use path on the south side of the roadway.

Periodic traffic/lane shifts will be necessary to allow the contractor to safely complete work. Lane closures will be allowed Monday through Friday after 8:30 a.m.

P & S Paving Inc. was selected to complete the \$23 million roadway construction by summer 2021, weather and unforeseen circumstances permitting.
